Pick-Up Times for Transportation from Nashville Airport to Campus

Students will need to turn in a completed travel card and a copy of their travel itinerary to the Administration office. The Webb School will schedule transportation from the airport to campus for students in groups based on their flight schedule. Please contact Melissa James at mjames@webbschool.com for more information.

Airline Policies for Unaccompanied Minors

Each airline has its own policy for minors. These policies significantly effect a child's ability to travel and therefore will impact your plans, depending on the age of your child. We strongly recommend that you review these policies and select the airline that has a policy that is the most helpful for your child.

Contact Information for Area Transportation Companies

If necessary, families can schedule their own shuttle runs to and from campus. Please remember that students should not miss any school days due to travel. Families may contact Anytime Transport/Shuttle Service at 1-877-479-5483.

Student Travel Cards

All students departing campus for a break will need to complete a travel card with the following information.

- The student's complete destination and phone number
- The date, time, and flight number of the student's departing flight
- The date, time, and flight number of the student's returning flight
- Student's cell phone number
- Student's age
- Student's passport number

Travel Advice for International Students

Be sure that your I-20 has been signed (must be done once a year) before you leave campus if you are to leave the U.S.

It is wise to have copies of your passport and always keep your passport, I-20, and any other immigration papers secure.

We also suggest that International students obtain a credit card that can be used in the U.S.
