ALUMNI GIFTS

Webb alumni generously gave to Webb this past year, supporting the annual fund, contributing to capital projects, and growing the endowment. These gifts assist almost every area across the school, and continue a cycle of giving whereby current students, faculty, and staff benefit from those who have come before them.

Alumni listed below have made cash gifts to one or more areas of the school during the fiscal year. The top five classes based on giving percentage are listed at the end of the report, along with the overall alumni giving percentage and total dollars received.

Class giving percentages are calculated as follows: The numerator includes all alumni who made a gift. The denominator includes all active alumni of a given class who graduated from Webb.
